AIU High School's Virtual Library

In total, the on-line library contains 75,000 libraries representing 171 countries in total. There are more than 230 million bibliographies, more than 27 million individualized articles, and 49,000 electronic books.

****NOTE**** You must be up to date with your payments to gain access to the library.

In AIU High School, our most important concern is our students and their development. We will do our best to fulfill your study program with satisfaction. Through the online library, we invite you to search for information so that you can acquire everything that is possible and add knowledge to your learning experience. The andragogy experience invites you to grow in every aspect with valuable tools.

Sincerely,

Academic Department
